

Dear \_\_\_\_\_,

We are asking for your help in our fundraising campaign for Adrenal Insufficiency United (AIU). AIU works to improve the lives of those affected by adrenal insufficiency through support, education, collaboration, and legislative action. Adrenal insufficiency is life threatening and can be caused by over 60+ conditions many of them rare.

Adrenal Insufficiency occurs when the body is unable to produce cortisol, a hormone vital to life. Those with adrenal insufficiency must take replacement medications daily, much like a diabetic.

Adrenal Insufficiency United is committed to keeping a majority of funds in the state in which they were raised so your donation will help patients in your state/city. Funds are placed into savings accounts for each state. We then work with our members who organize the fundraiser to best determine how to utilize the funds to make the most impact in the community. We hope you'll agree to donate a portion of your sales to our cause.

Please contact us at the email below if you have any questions about this or any other fundraiser.

Checks should be sent to: Adrenal Insufficiency United  
PO Box 72407  
Springfield, OR 97475

Sincerely,

Jennifer Knapp  
AIU director
